

# ***Saylorville's Eagle Watch Driving Tour***

***Sunday, Feb 23, 12-4 PM***

**Ladies and gentlemen start your engines!  
Join us on a trek around the lake that is  
full of excitement, entertainment, and  
education about our National Emblem  
the Bald Eagle. Start at any stop in any  
order, just be sure to catch them all!**

## **Pit Stop #1 - Saylorville Lake Visitor Center**

Be astonished by the size of an eagle's nest, catch a theater show about Bald Eagles on Iowa waterways (show times every half hour), and get directions for the rest of the stops along your journey.

## **Pit Stop #2 - Bob Shetler**

Biologists from the DNR's Non-game Program will be discussing the current status of Eagles in Iowa at 12:30, 1:30, 2:30, and 3:30. Here you will also have the opportunity to view eagles below the dam through scopes.

## **Pit Stop #3 - Oak Woods Learning Center**

A little chilly? Stop in for an inviting cup of hot chocolate by a roaring fire. Here you will learn about the struggles of protecting habitat for Iowa's eagles. Members of Audubon Iowa will also help you find ways to invite birds into your own backyard as you watch the busy feeders.

## **Pit Stop #4 – Lakeview Recreation Area**

At this stop get tips on how to easily identify Bald Eagles and other wintering birds. Naturalists will be there ready to help you spot the eagles through scopes. They will also have suggestions on how to properly set your binoculars; it can make all the difference!

## **Pit Stop #5 - Lincoln Access, Mile Long Bridge**

You can never get too much! Want another view of the eagles at the lake? This is often another good place to sight eagles, it could be a good opportunity to do a little more prying on America's favorite bird!

## **Pit Stop #6 - Jester Park Lodge**

Hold on to your hat because this stop is guaranteed fun! Gather at 1:00, 2:00, or 3:00 to meet "Spirit" a captive Bald Eagle used for educational programs. This stop also features crafts and fun activities for the young or just young at heart.

**US Army Corps  
of Engineers®**

**Des Moines Audubon Society**
